## INTRODUCTION

As per the Gujarat Agricultural University Act 2004 (Gujarat Act No. 5 of 2004) the erstwhile Gujarat Agricultural University was divided into following four Universities:

1. Junagadh Agricultural University (JAU), Junagadh
2. Anand Agricultural University (AAU), Anand
3. Navsari Agricultural University (NAU), Navsari
4. Sardarkrushinagar Dantiwada Agricultural University (SDAU), Sardarkrushinagar

All above mentioned Agricultural Universities here-in-after will be referred as "State Agricultural Universities (SAUs)" of Gujarat State. These SAUs offer various Post Graduate (PG) degree programmes through the constituent colleges of each university, *i.e.*, Master's Degree Programme of two years (4 semesters) duration and Doctoral Degree Programme of three years (6 semesters) duration.

The admissions on 70% seats of total intake of PG programmes are reserved for Gujarat domicile and pass-out students of SAUs of Gujarat state / ICAR accredited SAUs of other states. Remaining vacant seats, if any, may be filled by pass-out students of SAUs of Gujarat and non-domicile of Gujarat state. Rest of the 30% seats of total intake is reserved for students nominated by Indian Council of Agricultural Research (ICAR) - AIEEA (PG)-2025 / AICE-JRF/SRF (PhD)-2025

For conducting Common Admissions for Post Graduate Programmes Vice Chancellor, JAU, Junagadh is nominated as "Nodal Officer of SAUs", moreover, "Central Admission Committee" with following members are formed for performing all duties / responsibilities related to this admission:

1. The Registrars of SAUs
2. The Director of Research and Dean, PG Studies of SAUs
3. Deans of Faculties of SAUs
4. Member Secretary of Council of SAUs or representative of State Council nominated by Member Secretary

The SAUs of Gujarat state have most of the post graduate degree programmes in common; hence, the Central Admission Committee takes the responsibility of admission to PG degree programmes commonly offered by SAUs, viz., Agriculture, Horticulture, Agricultural Engineering and Technology, Food Technology, Forestry, Agricultural Information Technology, Community Science and Agri-Business Management. However, if any additional PG programme is offered by only one of the SAUs, then responsibility of admission to that PG programme shall be of that particular university.
